B-Line: Butte Regional Transit

Welcome to B-Line, Butte County's regional public transit system! You can use B-Line fixed routes to travel locally in Chico, Oroville and Paradise, or to travel between communities throughout Butte County. With a simplified fare and transfer policy, using transit in Butte County is easier than ever, and a great way to save on high gas prices.

How to Read the Schedule

Routes on the maps are color-coded to match the schedule information. Each route schedule shows selected time points listed from left to right. Sometimes a bus continues service as another route, which is listed at the right side of the schedule.

Read across the schedule from your boarding time to find the time the bus will arrive at your destination. **Although only a few selected time points are listed for each route, the bus will pick up or drop off passengers at any bus stop along the route (a complete list of stops is available on our web site).** You can estimate the time the bus will be at your stop by looking at the nearest time points. Be sure to arrive at the bus stop a few minutes early.

Making Changes to Serve You Better

B-Line is always working to bring you better service. Because of the recent addition of GPS (global position satellite) and AVL (automatic vehicle locator) to all the B-Line vehicles we are able to create the smoothest and most efficient system we've ever had. This new schedule brings just a few minor changes to make the system even better.

The highlights of these changes include: Adjusting the start times on Route 41's early-afternoon routes, for better on-time performance; creating an additional mid-afternoon run on Route 20; eliminating the Route 15S deviation to the Dorothy Johnson Center, since the Senior Nutrition program it was intended for has relocated; adding a new Route 40 Express morning commute service.

Please discard any old system schedules and refer to this one, dated May 20, 2012, to make sure you have the most up to date information.

* Discount fares apply to seniors (65 or older with proof of age), disabled and those with a valid medicare card.

** Two children ride free with each paying adult.

Transfers

If you need more than one bus to get to your destination, transfers allow you to complete a continuous one-way trip without having to pay an additional fare. **If you need a transfer, you must ask for one when you first board the bus and pay your fare. Transfers will not be issued to deboarding passengers.** Local transfers are valid for 1 hour from the time issued. Regional transfers are valid for 2 hours.

Transfer Options

- Present a Local or Regional transfer on a local route.
- Present a Regional transfer on a regional route.
- Using a Local transfer on a regional route requires an additional \$0.40 fare (\$0.30 for student, \$0.20 for discount).

Transfer Rules

- Transfers will only be issued at the time the fare is paid.
- A transfer cannot be reused on the same route it was issued.
- A transfer can only be used by the person to whom it was issued.

Fareboxes and Passes

All B-Line buses are equipped with fareboxes that accept coins, bills and magnetic stripe passes.

30-DAY PASS - The major benefit for passengers is that this pass allows for unlimited rides and it is not limited to a calendar month. The pass is activated the first time it is used on the bus and is valid for 30 days of unlimited rides from that day forward. To activate the card the first time, put it in the Fare Card Slot ①. The expiration date will print on the back of the card. After activation, swipe the pass through the Magnetic Stripe Reader ② on all future rides.

2-RIDE & 10-RIDE PASSES - To use these passes, place them in the Fare Card Slot ①. The number of rides remaining will print on the back of the card each time it is used.

SMART CARD - To use a smart card, simply hold it near the target shown on the top of the farebox.

ALL DAY PASS - For \$3.75 an All Day Pass can be purchased directly from the bus driver for unlimited access to the entire system for the day. Be sure to tell the driver you want an All Day Pass BEFORE putting your money in the farebox.

TRANSFERS - swipe the transfer through the Magnetic Stripe Reader ②.

Boarding the Bus

As the bus approaches the bus stop, stand near the bus stop sign and make sure the driver can see you. Stay out of the street at all times.

Some bus stops are served by more than one route. Check the route number on the destination sign above the windshield or ask the driver if you are unsure.

Have exact fare, a pass or transfer ready when you board the bus. **The driver cannot provide change if you pay more than the posted fare.** If you will need a transfer to complete your trip, let the driver know when you board the bus. If you are paying for multiple passengers, please let the driver know before inserting your cash fare.

Exiting the Bus

When you see the bus nearing your destination or transfer point, signal to the driver you want to get off. Please give enough notice so the driver can make a smooth stop. Depending on the type of bus, press the yellow strip, push the yellow button or pull the cord above the window. The driver will stop at the next bus stop. If you are not familiar with the area, ask the driver to let you know when the bus is nearing your destination.

Flag Stops

For most B-Line routes, passengers must get on or off the bus at designated bus stops, marked by bus stop signs. Flag stop areas are sections of some bus routes where passengers may board at any safe location, whether or not a bus stop sign is posted. Within a flag stop area, it is necessary to "flag" the approaching bus that you wish to board. Routes that have flag stop areas are 24, 25, 26, 27, 30, 41 and 46. See the Oroville and Paradise route maps for more detail.

To "flag" a bus, stand at a safe location on the roadside where the driver can see you. Wave to the approaching bus so the driver knows you wish to board. The driver will stop where it is safe to do so to let you on. To get off the bus at a flag stop, advise the driver well in advance so he or she can determine a safe location to stop.

Rider Rules of Conduct

Rules ensure safety and comfort for all passengers and the driver. We ask that riders observe the following Rules of Conduct while on the bus:

- No eating, drinking or smoking on board.
- No standing in front of the "standee line" while bus is in motion.
- No unnecessary conversation with the driver.
- No abusive, threatening or obscene language or actions.
- No radios or other sound-generating equipment may be used without headphones aboard the vehicles.
- No hazardous materials or weapons of any kind shall be brought on board.
- No animals, except properly documented service animals, shall be allowed on board, unless in a secured cage.
- No signs or other materials may be placed on the bus except by transit management.
- No marking, etching, cutting or damaging the bus in any way.
- No obstructions are allowed in the aisle. Strollers must be closed while in transport.
- No illegal activity of any kind will be tolerated while on board the bus.

Depending on the severity of the violation, the following penalties may be enforced for riders who violate any of the Rider Rules of Conduct:

- One (1) violation will result in a verbal warning.
- Two (2) violations will result in a written warning.
- Three (3) or more violations will result in suspension of service for a minimum of 30 days.

Note: Riders who engage in physical abuse or cause physical injury to another rider or driver may be subject to immediate and permanent suspension and possible criminal prosecution.

An appeals process allows riders the opportunity to appeal warnings or suspensions for violations of the Rider Rules of Conduct. Appeals must be made in writing within 30 days (2580 Sierra Sunrise Terrace, Suite 100, Chico, CA 95928). For more information, please call 879-2468.

Detailed Paradise Area Map

Bicycles

Bike racks are located on the front of all B-Line buses. Racks are available on a first-come, first-served basis. Riders are responsible for loading and unloading bicycles. Drivers cannot assist with the loading or unloading of bikes. Please tell the driver before you load your bike. When you get off the bus, ask the driver to wait while you remove your bike from the rack. After you have removed the bike, wave to the driver to indicate it is safe to drive away.

Bikes are not allowed inside the vehicles, with the following exception: If it's the last intercity run of the day, all the racks are full, and there is room inside the bus to safely put the bike (meaning not overcrowded with passengers). Driver discretion.

Passengers use the bike racks at their own risk. B-Line assumes no responsibility for damage or loss to the bicycle or any items thereon.

Disabled and Elderly Services

All B-Line vehicles are fully equipped with wheelchair* lifts and a wheelchair securement area with space for two wheelchairs. The bus operator will provide assistance with normal boarding or exiting, wheelchair securement, and operation of the lift. Any additional assistance would require the use of a Personal Care Attendant (PCA).

B-Line drivers are required to secure all wheelchairs before leaving the bus stop. For safety reasons, B-Line recommends using your own seat belt to secure yourself in your wheelchair. All riders are strongly encouraged to use the shoulder and lap belts provided on the vehicles.

Most B-Line buses kneel by lowering the front steps for easier boarding by passengers with mobility limitations. Please let the operator know if you need to use the bus kneeling feature upon boarding or exiting.

*Wheelchair means a 3 or 4 wheeled mobility aid that does not exceed 30 inches in width and 48 inches in length and does not weigh more than 600 pounds when occupied.

B-Line Paratransit

The schedules in this brochure are for the regular fixed route bus system. B-Line also provides Americans with Disabilities Act (ADA) complementary Paratransit service. ADA Paratransit is a service for persons that have impairments that prevent them from using the fixed route system.

To be eligible for B-Line Paratransit, riders must complete a Paratransit application. Additional premium service may be available to non-ADA-qualified individuals, including seniors 65 years of age or older. To register for these services, call B-Line's administrative office at (530) 879-2468. At your request, an application packet will be mailed to you explaining registration and eligibility certification procedures.

B-Line Paratransit is \$2.50 for a one-way trip. Ten Ride Passes are available for \$25. \$25 & \$50 value cards are also available.

For more information, pick up the B-Line Paratransit Rider's Guide or go to www.blinetransit.com.

B-Line grants all citizens equal access to its transportation services and is committed to ensuring that no person is excluded from participation in, or denied the benefits of its services on the basis of race, color or national origin. B-Line will not discriminate against qualified individuals on the basis of disability in its services, programs, or activities. See our website for full details.

Other Transit Providers

Other transit systems operating in Butte County include:

-  **The Gridley Golden Feather Flyer** is the Paratransit service for the Gridley area, (530) 370-1945.
-  **Glenn Ride** offers service between Butte County and Glenn County, with seven daily trips M-F and three times on Saturday, (888) 800-7433.
-  **Plumas Transit System** offers round-trip service between Quincy and Chico every Wednesday, (530) 283-2538.
-  **Greyhound Bus Lines** provides daily service to and from Oroville and Chico, (800) 231-2222.

Popular Transfer & Connection Points

The three transit centers in Chico, Paradise and Oroville, along with the Forest Avenue Transfer Point (Forest Xfer), are designed to make transfers between routes quick and easy. In looking at the B-Line schedule you should notice that almost every route that goes to a Transit Center is timed to meet up with other buses.

In addition, many routes have well-timed connections away from the transit centers. Listed here are descriptions of some of the more useful connection points. There are many other transfer points, but these are some of the most common. (In the descriptions below, TC = Transit Center)

If the route you are planning to transfer to has a tight time connection, be sure to let your driver know you are planning to transfer, so the other bus can watch for you. Because the whole system runs on timed transfers and connection points, the driver generally cannot wait more than three minutes for a transfer from a bus that is running behind schedule.
