Routes that differ from the Printed Schedule

Changes to Fixed Route Service

During schedule changes related to the coronavirus B-Line modified some of the Fixed Routes time tables that are in the printed schedule.

For most routes you can refer to the regular published schedule (dated Sept. 1, 2019). **Only four routes have changed from what is printed in that schedule.**

Route 5 no longer provides half-hour headways during peak time. It will run hourly headways throughout the entire day.

Route 52 no longer operates a noon time loop or the morning & evening trips between Chico and Oroville. (note: passengers can take the Route 20 5:50 a.m. to Chico or the 6:10 p.m. to Oroville).

Student Shuttle Routes (8 & 9). With most Chico State in-person classes suspended through the Fall 2020 semester, beginning Aug. 24 Routes 8 & 9 will move from every half-hour to hourly headways. Please refer to the separate Student Shuttle Flyer for exact times and information.
