

## Transfers

If you need more than one bus to get to your destination, transfers allow you to complete a continuous one-way trip without having to pay an additional fare. **If you need a transfer, you must ask for one when you first board the bus and pay your fare. Transfers will not be issued to deboarding passengers.** Local transfers are valid for 1 hour from the time issued. Regional transfers are valid for 2 hours.

### Transfer Options

- Present a Local or Regional transfer on a local route.
- Present a Regional transfer on a regional route.
- Using a Local transfer on a regional route requires an additional \$0.40 fare (\$0.30 for student, \$0.20 for discount).

### Transfer Rules

- Transfers will only be issued at the time the fare is paid.
- A transfer cannot be reused on the same route it was issued.
- A transfer can only be used by the person to whom it was issued.

## Fareboxes and Passes

All B-Line buses are equipped with fareboxes that accept coins, bills and magnetic stripe passes.

**30-DAY PASS** - The major benefit for passengers is that this pass allows for unlimited rides and it is not limited to a calendar month. The pass is activated the first time it is used on the bus and is valid for 30 days of unlimited rides from that day forward. To activate the card the first time, put it in the Fare Card Slot ①. The expiration date will print on the back of the card. After activation, swipe the pass through the Magnetic Stripe Reader ② on all future rides.

**2-RIDE & 10-RIDE PASSES** - To use these passes, place them in the Fare Card Slot ①. The number of rides remaining will print on the back of the card each time it is used.

**SMART CARD** - To use a smart card, simply hold it near the target shown on the top of the farebox.

**ALL DAY PASS** - For \$3.75 an All Day Pass can be purchased directly from the bus driver for unlimited access to the entire system for the day. Be sure to tell the driver you want an All Day Pass **BEFORE** putting your money in the farebox.

**TRANSFERS** - swipe the transfer through the Magnetic Stripe Reader ②.
